

KOHLI ENGINEER'S

Manufacturing Relationships. Distributing Quality.

KOHLI ENGINEER'S

"Committed to Quality & Service ,Committed to You "

ABOUT COMPANY

(S.Mandeep Singh Kohli)

Today, let's talk about tradition !
Over 30 years talking screws and hardware, these days, Kohli Engineer's is structured by S. Mandeep Singh Kohli around two major divisions, each one stemming from our timber and hardware origins.

Let's Talk About History

1985

Amritsar Factory is established manufacturing Pistons

1999

Transition- Kohli Engineer's is incorporated in Amritsar fulfilling the need of Domestic and Commercial Construction Companies with a vast range of architecturally designed hardware products including all types of Screws , Nut & Bolts .

2002

-Expansion- Servicing all over India and fulfilling the hardware needs from our Amritsar Head office.

2016

(Randeep Singh Kohli)

Kohli Engineer's was taken over by Gen-Y Randeep Singh Kohli who has made a special place in customers heart.

Let's Talk About Environment

Thanks to climate change, cardboard packaging is used to minimise the use of plastic. We deal in the sustainable products which are easily disposable or recycled after the use leaving zero effects on the environment.

Let's Talk Community

As a business that's been operating in Amritsar, India since 1985, Kohli Engineer's understands the value of building solid and lasting relationships with the people who operate in our local community. And we aim to have a positive impact on the broader community.

We like to contribute in different ways, including providing donations and in-kind support, and contributing to programs that deliver targeted social benefits. However, underpinning our community efforts programme is a sponsorship portfolio that focuses on providing regular support to local schools and other community groups in our own neighbourhood

CUSTOMER SERVICE

Pre and post-purchase, the Kohli Engineer's team is available with advice and support for your hardware needs. We are available to field enquiries any time between 10am and 8pm, Monday to Saturday or you can email us anytime at kohliscsrews@gmail.com
